Proposal to celebrate the International Day of Older Persons

Introduction

We should word out our fondness and respect to olders whom we benefit from their experiences and knowledge and who are the %10 of the world population.

Existences of them is the fundamental fort he family they are related. We should tell our children about the likeness and respect to olders so that we can strengthen the bridge between them and us.

Objectives:

- To ensure the older's sharing their knowledge and experiences with the young generation
- To ensure the the support from their families and all parts of the community
- To ensure their getting the suitable training and education programmes
- To ensure their keeping relation with the community
- To ensure their actively attempting to educational and cultural activities
- To ensure their attempting to the suitable activities for their interest and abilities willingly

Target groups:

This proposal is addressed to:
Learners of the Adult Education Centre:

- Art
- Cooking
- Music class
- Folk dance class

Preparatory activities, prior to the celebration

- To plan and coordinate the activities between the teachers of the different courses
- The learners prepare slide shows about the olders' daily life living in the local area and they and their childrens and grandchildren will be brought together and watch them.
- Music class learners will be prepared singing and songs about the day and other subjects.(most of them are folk songs)
- Some of the adults tell stories and tales to their grandchildren at visited home.

- Art class learners prepare an exhibition about the older persons photos taken by their children and grandchildren
- Folk dance course learners prepare a local dance show and perform it to the local community and cooking class learner prepare a meal and offer them.
